Update: Please continue to pray for David. He had a MRI last week and the tumor is receding, but not out of the woods yet. David was in hospital last week due to blocked intestines and then got an infection and was admitted in the hospital for several days. Please pray for a total healing of cancer. While taking chemo, please pray for his immune system. David feels the power of the prayers.

All went well for David. Large intestine is free of polyps or other concerns. The hemorrhoids were banded and David is doing better. His next chemo treatment is on Friday. Please pray for all cancer cells to be gone in the Name of Jesus. Amen.

SIDE EFFECTS: David is going in at noon to resolve a very challenging side effect of his ongoing chemo treatments-intestinal blockages from internal hemorrhoids. As you might know or imagine, these things can become complicated to resolve with elevated risk while taking Avastin. David will undergo a colonoscopy to confirm the cause of the blockage and take a look-see if there are other issues. The hemorrhoids will be banded rather than surgically removed because cutting is too dangerous when taking Avastin. Please continue to remember and pray for David as he continues his chemo treatments.

Latest Update: Pray for David as he continues his chemo treatment.

David is having a repeat MRI on Thursday, October 20 to see how the tumor is reacting to the chemo medications. Please pray that the tumor has disappeared and is gone in the Name of Jesus. Amen.

David is going in for blood work, doctor visit and another Avastin infusion this Thursday morning. It has been two weeks since re-commencement of chemo. David is doing better. Focal seizures have stabilized, and it seems the Avastin is giving relief, if not shrinking the tumor. Please keep David and Jan in your prayers, by His stripes David is being healed in the Name of Jesus.

David who has had a brain tumor, chemo and radiation. Due to recent MRI test, showing a small tumor the surgeon did not like the location, so David is taking Avastin and chemo locally at home. Please pray for no complications and side effects, but pray for strength for David to go be able to take the chemo. Lord, shrink and remove the tumor quickly in the Name of Jesus. Amen.

Latest Update: Doctors at UCSF agree it is regrowth of the brain tumor and think it should be acted on soon. David and his wife have received their suggestions, including other possible clinical trials that include surgery. They are meeting with their local oncologists for his thoughts on Monday. They will need to answer UCSF next week. They are asking God for wisdom and best path for David. Let's pray for God's divine wisdom, knowledge and divine intervention for the Lord to touch and remove the tumor and

all cancer cells in the mighty Name of Jesus. By thy stripes David is healed. Amen.

URGENT UPDATE: David has had another set back with his bypass surgery. The doctors are concerned. David has some "unknown" infection. They have moved David back to ICU and the Doctor may have to put him on a ventilator. Please pray for the Holy Spirit to speak to David throughout this medical complication. "Lord, may You speak life to him and turn his heart to You 100% and then away from the other person in the Name of Jesus. Lord, remove all infections in his body and heal his heart

We know of so many prodigals who are so close to coming home! Please pray in agreement with us for thousands of prodigals to come home as the Holy Spirit convicts their heart. Pray that each prodigal spouse will have a Damascus Road experience with the Lord.

Above all else, we pray that every stander, every prodigal, and all our loved ones will come to have a personal relationship with our Lord Jesus Christ. That is the only way they will ever find the peace they are seeking.

Pray that every returned prodigal and every prodigal who desires to come home will realize they must have no contact, for any reason, with the other person in their life. Pray for total restoration and rebuilding of their marriage.

Pray for Dennis Wingfield as he ministers to men through the "Standing Firm" weekly message.

Please pray for the many teenagers having difficulty. Many are so angry due to the circumstances that no one can change presently. May the Holy Spirit touch all children who feel unloved and rejection due to separation and divorce.

family functions involving standers. Pray that fathers who live far away will come home to see children.

Praise for men and women coming home out of non-covenant marriages. Pray for all their details to be worked out quickly, such as sale of homes, finances and salvations.

Pray for standers who need financial miracles from our Lord, their Jehovah Jireh.

Pray for all marriage ministries. May all of us direct hurting people to God's Word, the Bible, and not share our opinions. May we all listen to the Holy Spirit and always minister with integrity.

Pray for standers who are being threatened with various kinds of legal action by their absent spouse. Lord, we pray for all divorces to canceled in the mighty Name of Jesus.

Please ask the Lord to give the Steinkamp Family wisdom in every Ministry matter, that His will might always be done through Rejoice Marriage Ministries.

We thank God for the parents who have taken a stand to pray for their son or daughter's troubled marriage. We also hear from people who have taken a stand for their pastor's marriage, or for the marriage of a friend. Pray for all marriages that God will find one prayer warrior to stand in the gap for any couple who is fighting the spiritual battle to save their family.

Please stop right now and pray for that prodigal who is closest to going home. May they be touched by the Holy Spirit to humble themselves, being obedient to the Lord's will and way.

Thank You, Lord, for all that You do for Rejoice Marriage Ministries. Thank You for Your protection over this Ministry and all of the Steinkamp family. Please pray for each member of our family.

Satan does not stop with the destruction of only a marriage. Every stander we know has suffered a secondary attack, either through their own health, serious family illness, financial or relational problems. Would you take time right now to pray that Jesus would bind the attacks of the Enemy from men and women who are standing for their marriage to be restored by God.

Please for the stander who is most discouraged and questioning what God has told them to do-stand for their marriage. God will know for whom you are praying.

Pray that standers would have discernment, and seek the counsel of God instead of listening to advice from people.
